

34th Global Foundry Sourcing Conference 2025

2025 第 34 届 FSC 跨国铸件采购大会

October 23, 2025 Suzhou, China

Organizers: Foundry-Suppliers.Com (FSC) Suppliers China Co., Ltd. (SC)

Co-sponsor: Qingdao Casting Sourcing Co., Ltd.

Supporting Media: China Foundry (Chinese Edition), China Foundry (English Edition), Special Casting & Nonferrous Alloys, Modern Cast Iron, Foundry Equipment and Technology, China Foundry Machinery & Technology, Future Casting, Lost Foam and V-process Casting, ICME, MMR, FOUNDRY, ICME, MMR, Foundry, Metal Bulletin, Romanian Foundry Technical Association, ME-METALS, Foundry Gate, Casting Area, Slovenian Foundrymen Society, Metal Casting Technologies, FUNDIDORES, Foundry-Planet, Foundry Management & Technology, Middle East Steel Magazine, Turkish Foundry Industry International Journal of Cast Metals Research...

Conference Purpose: To establish a communication and trading platform for global casting purchasers and Chinese casting suppliers

Website: <http://castings.foundry.cn>

Review of Previous Conference:

The 31st Global Foundry Sourcing Conference was successfully held in Shanghai on April 18, 2024. Notable buyers like Hyster-Yale Group, Paccar, Siemens, Emerson Fluid, Emerson Marine System, Thyssenkrupp Dynamic, Haldex Vehicle, Bonfiglioli, Armstrong, Maschinenfabrik LASKA, Modine Thermal, MHI Turbo, HITACHI, SULZER, NOVEASTERN, Pohu Drive, Gudel, ALLFI Group, LMW, IDEX, EQI, and FallTech, including over 20 Global Top 500 enterprises, graced the event. Australian Multotec, Hasse Automation, Casappa Hydraulic, Borunte Robot, and Promote took the stage to present their procurement requirements, captivating the attention of over 200 Chinese suppliers. The afternoon face-to-face negotiations between buyers and suppliers yielded fruitful outcomes, fostering productive business relationships. According to FSC, the overall demand from multinational buyers seems to have decreased, with new orders noticeably fewer compared to previous years. Moreover, there's a reluctance among buyers to venture into partnerships with new suppliers. However, inquiries from emerging markets like Russia are on the rise. A significant number of European SMEs have not yet successfully sourced castings from China. These are all markets with great potential. FSC advises suppliers to concentrate on specific products, particularly high-end ones, and phase out outdated capacities to better cater to the medium and high-end markets.

Conference Characteristics

- ✧ **Specialty:** A professional sourcing conference focusing on castings.
- ✧ **Buyers:** The buyers are mainly overseas buyers, purchasing centers of Global Top 500 enterprises in China, and large Chinese enterprises, all subject to strict verification by FSC.
- ✧ **Suppliers:** Medium and high-end casting manufacturers and competitive casting suppliers from China as well as regions such as Southeast Asia.
- ✧ **High efficiency:** The event is delicately designed with the principle of high efficacy and rapid pace, particularly suitable for busy business people.
- ✧ **Printing materials:** FSC will compile the *China's Casting Guide (Chinese & English Editions)*. Its electronic version will be distributed to global buyers.

- ✧ **Platform:** FSC combines the multinational casting sourcing platform with offline events to serve Chinese casting suppliers and multinational buyers.

As suppliers, you should

- ※ Have over 20 employees, have obtained ISO/QS/TS certification or incorporated QC/QA processes, and understand product drawings and specifications in English;
- ※ Be able to provide high-quality products and guarantee delivery time;
- ※ Have experience supplying goods to the world's Top 500 companies, and intend to expand international markets;
- ※ Wish to expand client base to mitigate risks associated with relying on a single customer
- ※ Aspire to develop further and expand business.
- ※ Pursue new business partnerships and aim to replace old customers who couldn't meet needs with more suitable alternatives for improved business outcomes.

At the FSC, you will

- meet professional foundry sourcing buyers from Europe, North America, Japan, etc.
- have the opportunity to conduct face-to-face discussions with international purchasers.
- efficiently connect with potential customers compared to traditional shows.
- leverage the professional e-commerce exchange platform (www.foundry-suppliers.com) for penetrating international market.

Scope of Participants:

Casting enterprises: Companies offering iron, steel and nonferrous metals castings manufactured with various casting processes such as sand casting, precision casting, and die casting for a wide range of industries such as automobiles, tooling, shipping, engineering machinery, rail transportation, heavy machinery, mining machinery, textile machinery, and printing machinery; castings employed in the power transmission industry, hardware production, piping and valve systems, as well as municipal engineering projects.

Supporting enterprises: Companies offering casting materials, equipment, instruments, software, and machine processing services, as well as support services such as banking, insurance, import and export facilitation, logistics, certification, and agency services.

Note: Collection of information for the *China's Casting Guide* will be closed on September 30, 2025.

Suppliers Application Form

We, the company undersigned, hereby apply to participate in the 34th Global Foundry Sourcing Conference 2025 and agree to follow the organizer's arrangements during the conference. (Please seal and return the form by email to the organizer).

Company Name			
Company Add.			
Contact Person		Mobile	
Tel.		Fax	
E-mail		Website	
Main Products			
Applied Fields			
Aim of Participation			
Which enterprise will you expect to negotiate with at the conference?			

1. ☐ **Participating in the conference**

We hereby apply for _____ standard seat(s) (USD 350 per seat);

_____ VIP seat(s) (USD 450 per seat) ;

☐ **Exhibiting product samples:** USD 700 per booth;

☐ **Products promotion:** USD 2,500 for a 12-minute presentation, including two VIP seats and a booth for product sample exhibition, a complete set of conference materials, and free lunch;

☐ **Guide advertisement** ☐ Cross page: \$700 ☐ Full page: \$350

☐ **Website advertisement** ☐ Full membership \$1200 ☐ Logo Advertisement _____

2. Total: _____ Date of payment: _____

3. If you wish to attend the conference, kindly complete the application form and affix your company seal before returning it via email. Payment is expected within 7 working days, and we kindly request that the remittance receipt be provided to the organizing committee for our records.

4. After you finish the above steps, please provide your company profile and contact information for the **China's Casting Guide**. You can browse the purchasers' procurement information after registration on www.foundry-suppliers.com.

5. Neither party shall be held responsible to perform partly or fully the contract due to force majeure, including war, natural disasters disease and administrative orders, etc. After such force majeure, both parties shall continue to perform the contract till the completion of contract.
