[25th Global Foundry Sourcing Conference 2019](#)

Date: Sep.23rd, 2019 **Venue:** Qingdao Grand Regency Hotel, China

Website: <http://castings.foundry.cn>

Conference Characteristics

- ✧ **Specialty:** Focusing on castings;
- ✧ **Internationalism:** The buyers are mainly from North America, West Europe, Japan, Korea, as well as domestic manufacturers with large purchasing quantities, etc. FSC has already served for over 100 World Top 500 enterprises; suppliers in attendance have factories all over the world.
- ✧ **Targeted service:** At the request of buyers, SC will invite appropriate or assigned suppliers, and help buyers establish business relationship with suppliers before the conference;
- ✧ **Reliability:** All the information about suppliers and buyers will be strictly examined by SC;
- ✧ **Feasibility of trade agreements:** Purchasing presentation, products promotion and negotiation will help facilitate a better understanding between buyers and suppliers, and the goal of the trade agreement will then be realized;
- ✧ **Interactivity:** SC will assist you in operating casting transaction with the aim of creating a purchasing platform both online and offline. Apart from having collected information of over 3,000 Chinese casting suppliers, orientation of products, standard authentication, casting technology, manufacturing capacity and annual output included, etc., our online platform –www.foundry-suppliers.com also contains detailed information regarding purchasing blueprint/drawing papers, manufacturing requirements and contact information of transnational casting purchasers, to promote online trading for both suppliers and purchasers.

As suppliers

- ※ With over 20 employees in your company and ISO/QS/TS certificate or QC/QA process, and being able to understand products' drawings and requirements in English;
- ※ Good quality products and guarantee of delivery time;
- ※ Having World Top 500 customers or having plans for expanding international markets;
- ※ Looking for more reliable partners to avoid the risks brought from single customer
- ※ Deciding to make further progress and expand business.
- ※ Seeking for new business partners and replacing the old customers who were unable to meet your requirements on the basis of a better business.....

At the FSC, you will find:

- Professional foundry sourcing buyers from Europe, North America and Japan, etc.
